Opção Cadastro de ONGs

The image shows a smartphone screen with the 'beOne' app interface. The status bar at the top displays the time as 13:00. The app's header bar is light blue with the text 'Cadastrar ONG' and a three-dot menu icon. Below the header, there are three text input fields: 'Nome da ONG', 'Responsável pela ONG', and 'Descreva o intuito da ONG...'. The third field has a character count '0/1000' at its bottom right. At the bottom of the form is a large, light blue button with the text 'ENVIAR PARA ANÁLISE'. The Android navigation bar is visible at the very bottom.
